Claim Notes

Claim number:	C-1233
Claimant:	Warren Fletcher
Adjuster:	Jerry Hanson

2024-01-20
Claim opened for a left-turn collision in which the insured's vehicle was struck by an oncoming vehicle at an intersection. The claimant is represented by counsel, and all further contact will go through the attorney's office.

2024-04-12
Reviewed the policy and confirmed the driver involved is listed as a named driver, with coverage active at the time of loss. Nothing in the file suggests the vehicle damage predates the start of coverage.

2024-05-01
Police report obtained, and it places the claimant inside the vehicle at the time of impact. Statements from two independent witnesses match the described sequence of events.

2024-06-01
Scene photographs and the other driver's account both confirm the collision occurred as reported. Vehicle damage is largely consistent with the described impact, though the impact appears to have been light.

2024-06-02
Medical records received showing a wrist fracture. The injury is severe relative to the low-speed contact visible in the photos, and the reported mechanism does not readily explain it.

2024-06-16
Records show the treatment followed a typical course, with care tapering as the claimant's condition improved. No prior injury to the same wrist or arm appears in the available history.

2024-07-11
The claimant has given the same account of the accident in each conversation with the adjuster and through counsel. No inconsistencies have been noted to date.

2024-08-11
Reviewed the vehicle's prior claim history and found no earlier damage on record. Preliminary repair estimate is being compared against the photos for further review.

2024-08-19
File is pending a final evaluation of the injury claim against the medical records and the light-impact findings. Counsel has been notified that a decision on the bodily injury portion will follow the review.

Recorded Statement

Claim number:	C-1233
Statement of:	Warren Fletcher
Taken by:	Jerry Hanson
Date:	2024-01-09

Q: Thank you for taking the time to speak with me today. This recorded statement concerns the collision you reported. Please state your full name for the record.

A: I'd rather just go over what happened, but I can confirm I'm the driver of the vheicle involved.

Q: Understood. Can you walk me through what you were doing right before the collision?

A: I was heading to the grocery store on the main road in League City. I needed to turn left into the parking lot, so I signaled and slowed down.

Q: Did you come to a complete stop or continue through the turn?

A: I was already moving slowly through the intersection when I started the turn. There was a gap in oncoming traffic, and I thought I had enough room.

Q: What happened next?

A: The other car came from the opposite direction and hit my front driver's side. It happened fast. I didn't see it until it was almost on me.

Q: Were you injured?

A: Yes. I put my right arm out on the steering wheel and then against the door. My wrist hurt right away. I was taken to the hospital, and they told me it was fractured.

Q: Did you have any passengers in your vehicle?

A: No, I was alone.

Q: Did you speak with the other driver or any witnesses at the scene?

A: The other driver was shaken up but okay. I didn't really talk to anyone else. A police officer came and took information.

Q: Is there anything you'd like to add to your statement?

A: Only that I'm still doing physical therapy for the wrist, and I'd like to be kept updated on the claim.

Q: Thank you. This concludes the recorded statement.
