Description of the accident (claimant's words)

I was changing lanes on the highway in League City, Texas, checking my mirror and signaling as I moved over. As I started to merge, a vehicle in the adjacent lane sideswiped the rear passenger side of my car, pushing me toward the shoulder before I could regain control. Both vehicles pulled onto the shoulder, and I stayed at the scene until the officer arrived. Since then I have described what happened the same way to everyone I have spoken with, including the responding officer, the other driver, and my insurer. Afterward I felt sharp pain in my neck and a deep ache across my lower back, and I have been seeing a physician for a neck and back strain. I am the named driver on the policy covering the vehicle involved, and I am submitting this statement to support my claim for the damage to my car and my medical expenses.
