Description of the accident (claimant's words)

I was making a left turn at an intersection in Baytown, Texas, when anohter vehicle struck the side of my car. I had been waiting for a gap in oncoming traffic and had already started movnig when the impact happened. My car was pushed sideways, and I felt my head snap forward and then back against the seat. Since the collision I have had stiffness and pain in my neck and lower back, and I have been seeing a doctor for treatment. I have given the same description of what happened to the adjuster, to the officer at the scene, and to the medical staff who treated me. I am the named driver on this policy and I was operating the vehicle with the owner's permission at the time. I am submitting this statement so the claim can be reviewed.
