Description of the accident (claimant's words)

I was stopped at a red light on a busy road in Katy, Texas, when the car behind me hit my rear bumper hard enough to jolt me forward against my seatbelt. I got out and spoke with the other driver, and I have described the events the same way in every conversation since, including with the adjuster and the officer who came to the scene. I am the named driver on this policy and was driving my own vehicle at the time. Within a day I noticed stiffness and a dull ache in my neck, along with soreness across my lower back that made it hard to sit for long periods. I saw a doctor, who diagnosed a neck and back starin and recommended rest, physical therapy, and over-the-counter pain relief. I am following that treatment plan and will provide the medical records and receipts as they become available.
