Description of the accident (claimant's words)

I was driving home on a weekday afternoon when the car in front of me stopped suddenly in the right lane. I braked, but the vehicle that had been behind me, which came up fast in the left lane, swerved over and struck the front of my car head-on as it moved into my path. The impact was low speed, but my body jerked forward and then back against the seat, and I felt a sharp pain in my right shoulder almost immediately. I have given the same description of what happened eevry time I have spoken with the adjuster, the police officer at the scene, and my doctor. I am the named driver on this policy and I was operating the vehicle with the owner's permission. I have attached the medical records covering my shoulder treatment so far.
