Claimant reported a left-turn collision at an intersection with a vehicle that struck the claimant's car as it crossed oncoming traffic. Claimant states a wrist fracture resulted and is not represented by an attorney.

02/28/2024
Reviewed the policy and confirmed the claimant is a named driver on the policy in force at the time of loss. Coverage questions are being checked against the file.

05/18/2024
Obtained the police report, which places the claimant inside the vehicle at the scene. Officers recorded the same sequence of movements the claimant described.

Statements from two independent witnesses match the claimant's account of the turn and the impact. Scene photos were received and reviewed.

Recorded Statement

Claim number:	C-1241
Statement of:	Meghan Adams

Date:	01/07/2024

Q: Thank you for agreeing to give this recorded statement. Please state your full name for the record.

A: I'd rather not give my full name on a recording, but you can note that I was the driver of the vehicle involved.

Q: That's fine. Can you decsribe where the collision happened?

A: It was at an intersection in League City, Texas. I was making a left turn across the oncoming lanes.

Q: What were the conditions like when you started the turn?

A: It was daylight and the road was dry. Traffic in the opposite direction had a green light, I think, but I was waiting for a gap.

Q: Did you see the other vehicle before you began turning?

A: I saw headlights a ways off. I judged that I had time to get through, and I started moving.

Q: Where did the impact occur relative to your vehicle?

A: The other car struck the front passenger side of mine as I was crossing into the lane.

Q: Were you wearing a seatbelt?

A: Yes, I was.

Q: Have you received medical treatment since the collision?

A: Yes. I was taken to an urgent care clinic that evening. They found that my wrist was fractured, and I've been wearing a splint and going to follow-up appointments.

Q: Did you have any injuries to other parts of your body?

A: I had some soreness in my neck and shoulder, but the wrist is the main problem right now.

Q: Is there anything you would like to add to your statement?

A: Only that I'm cooperating fully and I'll provide any records you need from my doctor.

Q: Thank you. This concludes the statement.
