Description of the accident (claimant's words)

I was stopped at a red light on a main road in Houston, Texas, when the car behind me hit my rear bumper. The impact pushed my vehicle forward and jolted my head and neck hard. I got out and spoke with the other driver, and I have described the events the same way to the officer at the scene, to my insurer, and to my doctor. Since the collision I have had stiffness in my neck, headaches, and pain between my shoulders. I am the policyholder named on this auto policy, and I was driving the insured vehicle at the time. I am fiilng this statement so that my claim can be reviewed, and I am willing to provide any further information the adjuster needs.
