Claim Notes

Claim number:	C-1247
Claimant:	Brittany Jackson
Adjuster:	Alison Sweeney

August 4, 2023
First notice of loss came in from the claimant, who reported a side impact at an intersection and said the other vehicle entered on a red light. The claimant was not represented by counsel and confirmed they were the driver named on the policy.

August 17, 2023
Reviewed the police report, which confirms the claimant was in the vehicle at the time of the collision. Scene photos supplied by the claimant show damage to the drvier side door and rear quarter panel, though no independent witnesses have come forward.

October 4, 2023
Spoke with the claimant about the injury, which was reported as a concussion. The symptoms described are plausible for a collision of this type, and the claimant has no known prior injury to the head or neck area.

October 14, 2023
Reviewed the vehicle's service records and prior claim history, and nothing suggests the damage predates the start of coverage. No earlier damage to the vehicle is on file.

October 17, 2023
Treatment followed a typical course, with follow-up visits tapering as the claimant's symptoms improved. Still unclear from the repair estimate and photos whether all of the listed damage stems from this impact, so a secondary inspection has been requested.

February 9, 2024
The claimant has given the same account of the collision in every conversation so far, with no changes to the sequence of events. File remains open pending the inspection results and final medical documentation.

Q: Thank you for agreeing to give this recorded statement. Please state your full name for the record.

A: I'd rather not put my full name on it, but you can note that I was the driver of the vehicle.

Q: That's fine. Can you tell me where the collision happened?

A: It was at an intersection in League City, Texas. I was going through on a green light.

Q: What were you doing just before the impact?

A: I was driving the speed limit, maybe a little under. I had my radio on low. Traffic was light.

Q: Were you wearing your seatbelt?

A: Yes, and the airbags deployed on my side.

Q: Did you hit your head during the collision?

A: Yes, my head struck the window frame. I was dizzy right after and I still get headaches.

Q: Did you seek medical attention?

A: I was taken to an urgent care clinic that evening. They diagnosed a concussion and told me to rest from screens and reading.

Q: Are you currently under any follow-up care?

A: I have a appointment scheduled with a neurologist, and I've been keeping a symptom journal.

Q: Is there anything else you'd like to add?

A: Only that I'm still haivng trouble concentrating at work, and I want the claim handled properly.
