Photos taken at inspection show some details of the collision. The vehicle damage is mostly in line with the described impact, and no earlier damage to the vehicle is known from our records.

A neighbor mentioned seeing the car with damage some weeks before the reported loss. I have noted this statement and will follow up to verify it.

The claimant added a few small detials in a recorded follow-up call, but the core account has stayed the same since the first report.

The claimant's neck strain is consistent with the kind and force of the crash. Treatment followed a usual course, and no eralier injury to the same body area is known.

Recorded Statement

Claim number:	C-1250
Statement of:	Chase Bowers
Taken by:	Chelsea Hebert
Date:	7-25-24

Q: Please state the date and time of the accident for the record.

A: I'd rather not guess at the exact time, but it was the afternoon, on a weekday.

Q: Where did the collision happen?

A: On a two-lane road in Baytown, Texas, near an intersection with a gas station on the corner.

Q: Can you describe how the collision occurred?

A: I was driving forward and the other car came across into my lane. We hit nearly head-on, but it was slow. I'd guess we were both moving at maybe ten or fifteen miles per hour.

Q: Did you brake before impact?

A: Yes, I braked hard, but there wasn't much room to stop.

Q: Were you wearing your seatbelt?

A: Yes, and the airbags did not deploy.

Q: Did you get out of the vehicle at the scene?

A: I did. I walked around a little, but I felt stiff and sore.

Q: Have you been seen by a medical provider since the accident?

A: I went to an urgent care clinic the same day. They said I had a neck strain and told me to rest and take anti-inflammatory medication.

Q: Are you experiencing any symptoms now?

A: Yes. My neck is sore, especially when I turn my head to the left, and I get some stiffness in the morning. Sitting for long periods makes it worse.

Q: Do you have any prior injuries to your neck or upper back?

A: No, nothing that I can recall. I've never had treatment for my neck before.

Q: Is there anything else you would like to add?

A: Just that I want to cooperate fully and I'm still working on getting back to normal.

Q: Thank you. This concludes the statement.

A: Thank you.
