Description of the accident (claimant's words)

I was making a left turn at an intersection in Baytown, Texas, when another vehicle struck the side of my car. I had the green lgiht and was waiting for a gap in oncoimng traffic when the impact came from the driver's side. The force threw me against the door and I felt a sharp pain in my right shoulder right away. I have given the same account of what happened to the other driver, to the responding officer, and to my own insurer, and I have not changed any detail. I am the named driver on this policy, and I am filing this claim for the damage to my vehicle and for the medical treatment my shoulder injury has required since the collision.
