Re: Claim C-1261
Our client: Ashley Duncan
Date of loss: 24 Jul 2023

Dear Claims Representative:

I am writing to advise that this office now represents the injured party in connection with a sideswipe collision that occurred while the insured vehicle was changing lanes. Our client was seriously hurt in the incident and is currently receiving medical care. Please direct all further communication regarding this matter to our office and do not contact our client directly, whether by telephone, mail, or in person.

We request that you provide the policy limits for all applicable coverages under the policy held by your insured, including bodily injury and any umbrella or excess coverage, along with a written confirmation of those limits within fifteen days of receipt of this letter.

We also ask that your company preserve all evidence relating to the collision. This includes photographs, dash camera or telematics data, witness statements, recorded calls, claim file notes, repair estimates, and any electronic data from the vehicles involved. Please ensure that no such material is altered, discarded, or overwritten while the claim is pending.

Thank you for your prompt attention to these requests. We look forward to your response.

Sincerely,

Candice Smith
