Reported injury:	shoulder injury

Description of the accident (claimant's words)

I was driving home on a weekday afternoon when the car in front of me slowed suddenly, and I moevd to the left to avoid it. The other vehicle came into my lane at low speed, and we made cnotact head-on. Neither car was moving fast, but the impact was enough to jolt me forward and back against my seat. I got out and told the other driver I was hurt, and I have told the same account every time I have been asked about it, whether to the officer at the scene, to the adjuster, or to my doctor. I am the named driver on this policy and I was operating my own vehicle with permission from no one but myself. Since the collision I have had constant pain in my right shoulder, which my physician has treated with physical therapy and a sling for several weeks. I am submitting this statement so the claim can be processed.
