Description of the accident (claimant's words)

I was driving home along the access road in Katy, Texas, movnig slowly because traffic had backed up ahead of me. The other vehicle came toward me in my lane and struck the front of my car head-on. The impact was low speed, but my head snapped forward and back, and I felt a sharp pain in my neck and upper back within minutes. I have given the same account of what happened to the adjuster, to the officer at the scene, and to the medical staff who treated me, and I have never changed any part of it. I am the named driver on this policy, and I am submitting this claim for the whiplash injury and the vehicle damage described above. I have kept copies of all treatment notes and repair estimates, and I will provide any additional records the insurer requests.
