Q: Thanks for taking the time to speak with me today. This recorded statement concerns the collision at the intersection in Katy, Texas. Please state your full name for the record.

A: I'd rather just give you the facts. I'm the driver of the car that was hit on the passenger side.

Q: Understood. Can you walk me through what happened before the impact?

A: I was heading through the intersection on a green light. The other vehicle came from my right and didn't stop for its red signal. I had no time to brake.

Q: Did you see the other vehicle before the collision?

A: Only for a second. It was already in the crosswalk area when I noticed it. I tried to swerve, but the impact came almost right away.

Q: Were you wearing your seatbelt?

A: Yes, and the airbag deployed on my side.

Q: Did you receive medical attention after the crash?

A: An ambulance took me to the emergency room. They diagnosed a concussion. I've had headaches, dizziness, and trouble concentrating since then.

Q: Are you currently under a doctor's care?

A: Yes. I have a follow-up with my neurologist and I've been told to limit screen time and driving until I'm cleared.

Q: Did anyone else in your vehicle get hurt?

A: No, I was alone in the car.

Q: Is there anything you would like to add or correct in this statement?

A: Only that I want the record to show I've been cooperative and I'm still dealing with symptoms every day.

Q: Thank you. This concludes the recorded statement.
