Injuries reported:	whiplash
Investigating officer:	Officer Robert King, Badge 1025

Occupants of each vehicle

Vehicle	Seat	Name
Vehicle 1 (insured)	Driver	Dakota Jones
Vehicle 2	Driver	Isabella Herrera

Officer's narrative

Driver 1 was traveling in the rgiht lane of the roadway in Baytown, Texas, when the vehicle began to drift into the adjacent lane as Driver 2 attempted a lane change. The two vehicles made contact along their sides, producing a sideswipe collision. Driver 1 reported neck pain consistent with whiplash following the impact. Witness statements, scene photographs, and Driver 2's account all align with the sequence of events as described by Driver 1, and the damage visible on both vehicles corresponds to the angle and force of a sideswipe. Responding officers found no indication of prior damage to either vehicle in the areas affected. Driver 1 is listed as the named insured on the policy involved. Officers were unable to confirm with certainty whether a Passenger was present in the vehicle at the time of impact, and the seating position of Driver 1 at the moment of the collision remains unclear from the information gathered at the scene. The injury complaint appears reasonable given the nature of the collision, and the vehicle was towed from the scene for further inspection.
