Description of the accident (claimant's words)

I was driving slowly through the intersection in Pasadena, Texas, when the car in front of me came to a stop and I braked as gently as I could. The other vehicle was coming toward me in the opposite lane and the two front ends met in a low-speed head-on collision. Neither airbag deployed and both cars were still drivable at the scene, though the front bumpers and hoods were clearly damaged. Afterward I felt a stiff, aching pain low in my back that grew wosre over the following hours. I have described what happened the same way every time I have spoken about it, whether to the officer at the scene, to my doctor, or to the claims team. I am the registered driver named on this policy and I was the person operating the vehicle at the time. I am asking for help with the repair costs and the medical care needed for my back strain.
