Claim Notes

Claim number:	C-1289
Claimant:	Robin Smith
Adjuster:	Alison Sweeney

February 19, 2024
First notice of loss received for a sideswipe that occurred while the insured was changing lanes. The claimant is represented by counsel, and all further contact will be routed through the attorney's office.

April 4, 2024
Reviewed the police report and the photographs submitted by the other driver. Both the witnesses and the other driver describe the collision the same way, and the damage on the claimant's vehicle lines up with the reported impact point.

May 21, 2024
Spoke with the claimant's attorney, who confirmed the claimant was in the vehicle at the time and reported neck and back strain. The described injury is consistent with a lateral impact of this kind.

May 29, 2024
Obtained the claimant's medical records. Treatment followed a typical course, with physical therapy and follow-up visits tapering as the claimant improved. No prior injury to the same body area appears in the records.

June 27, 2024
Recorded a recorded statement from the claimant through counsel. The account matched the account given at first notice and in earlier conversations with the claimant.

July 27, 2024
Confirmed the driver is listed on the policy and that the policy was in force on the date of loss. Nothing in the file suggests the vehicle damage perdates the coverage period, and no earlier damage to the vehicle is on record.

July 29, 2024
Reviewed the repiar estimate against the photographs and the reported point of impact. The line items align with the damage pattern, and no unrelated components have been added.

September 12, 2024
File is progressing normally. Liability appears clear based on the police report, witness statements and the other driver's account, and the bodily injury component is being evaluated against the completed treatment records.

Recorded Statement

Claim number:	C-1289
Statement of:	Robin Smith
Taken by:	Alison Sweeney
Date:	January 25, 2024

Q: Thank you for taking the time to speak with me today. This recorded statement concerns the sideswipe collision you reported in Pasadena, Texas. Please state your full name for the record.

A: I'd rather keep my name out of it for now, if that's alright. You already have my claim information.

Q: That's fine. Can you describe where you were and what you were doing when the collision happened?

A: I was driving in the right lane on a main road in Pasadena, moving at around the speed limit. I wanted to move into the left lane because the lane ahead was closing, so I checked my mirror and signaled.

Q: Did you check your blind spot before moving over?

A: I did a head check as well as the mirror. The lane looked clear. Then a car came up alongside me and we scraped sides. It happened in a second.

Q: Did you see the other vehicle before contact?

A: Not until it was right there. I didn't see it in the mirror when I looked.

Q: Did either of you stop, or did you pull over afterward?

A: Both cars pulled onto the shoulder. We exchanged information and took a few photos of the damage.

Q: Have you noticed any injuries since the collision?

A: Yes. My neck is stiff and sore, and my lower back aches, especially when I sit for a while or first get up in the morning. I've been taking over-the-counter pain relievers and I saw a doctor who diagnosed a neck and back strain.

Q: Are you currently receiving any treatment?

A: I'm doing physical therapy twice a week and I'm following the exercises they gave me at home.

Q: Is there anything else you'd like to add to your statement?

A: Only that I'm trying to cooperate fully and I'll provide any records you need.

Q: Thank you. That concludes the statement.
