Description of the accident (claimant's words)

I was stopped at a red light on a main road in Pearland, Texas, when the car behind me hit my rear bumper hard enough to push my vehicle forward into the intersection. I felt a sharp pain in my right shoulder almost immediately and had trouble lifting my arm for the rest of that day. The other driver stayed at the scene, and I gave the same description of what happened to the officer, to the adjusetr who called me, and to the staff at the clinic where I was examined. I am the driver of the vehicle, and I live in the same household as the policyholder, which is why I am making this claim under the family coverage on the policy. I have kept copies of the medical notes and the repair estimate, and I am happy to provide any further documents the claims team needs.
