Description of the accident (claimant's words)

I was changing lanes on a busy road in Conroe, Texas, when I felt a jolt along the right side of my car. The other vehicle had moved into the space I was entering, and our mirrors met with a loud scrape before I could fully stop. I pulled onto the shoulder and checked on the other driver, who was shaken but able to speak. Over the following days I gave the same description of what happened to the adjuster, to the officer at the scene, and to my own doctor, and I have not changed any detail. Since the impact I have had stiffness and a dull ache in my neck and lower back, which my physician has diagnosed as a neck and back strain. I am the named driver on this policy and I am submitting this statement so the claim can be reviewed.
