Recorded Statement

Claim number:	C-1298
Statement of:	Beth Higgins
Taken by:	Christopher Wong
Date:	14 Apr 2024

Q: Thank you for agreeing to give this recorded statement. Please state your full name for the record.

A: I'd rather just give my details without the name, if that's okay. I was the driver of the vehicle involved.

Q: That's fine for now. Can you describe where the collision happened?

A: It was at an intersection in Sugar Land, Texas. I was turning left across the lanes to get into a shopping center driveway.

Q: What was the traffic like when you started your turn?

A: Light, honestly. There was one car coming from the opposite direction that I thought was far enough away. Then another vehicle came through fast and hit the driver's side of my car.

Q: Did you have a green light or a left-turn signal?

A: I had a green arrow. I'm fairly sure of that.

Q: Did the other driver say anything at the scene?

A: They said they were looking at their phone for a second. I didn't see that myself, so I can only tell you what they told me.

Q: Are you injured?

A: Yes. My right knee took the brunt of it against the door and dasbhoard area. It's swollen and I can't bend it fully. I went to urgent care that afternoon and they referred me for imaging.

Q: Have you been able to work since the collision?

A: I've been out for a few days. Lifting and standing for long periods is hard right now.

Q: Is there anything else you'd like to add?

A: Only that I've been cooperative and I'll send over the urgent care paperwork and photos of the car when you need them.

Q: Thank you. This concludes the statement.

A: Thank you.
