Description of the accident (claimant's words)

I was making a left turn at an intesrection in Sguar Land, Texas, when another vehicle struck the side of my car. I had the green light and was mvoing slowly while I waited for a gap in oncoming traffic. The impact jolted my vehicle hard, and my left knee hit the dashboard. I got out and spoke with the other driver, and the police report was filed at the scene. Since then I have recalled a few more details, such as the sound of the brakes and where the other car came to rest, but the core of my account has not changed. I am the named driver on this policy and I am submitting this statement so my claim can be reviewed.
