19 Nov 2024
Claim received today for a side impact at an intersection involving the insured's vehicle and a second vehicle. The claimant is represented by counsel, and all further contact will be routed through the attorney's office.

28 Nov 2024
Confirmed that the driver is named on the policy and that coverage was in force on the date of loss. No issues with the policy itself were found at intake.

22 Jan 2025
Otbained the police report, which places the claimant in the vehicle at the time of the collision. Officers' observations of the scene line up with the parties' descriptions.

2 Mar 2025
Reviewed scene photos and spoke with two independent witnesses, both of whom describe the accident the same way the claimant and the other driver did. Their accounts are consistent on the sequence of events.

Inspected the vehicle. The damage is mostly on the driver's side and is in line with the described impact. No earlier damage to the vehicle is known from prior claims or repair records.

26 Apr 2025
Nothing so far suggests the damage predates the coverage period. Claim remains open pending final medical review and the repair invoice.

Recorded Statement

Claim number:	C-1303
Statement of:	Jacqueline Moody
Taken by:	Valerie Rodriguez
Date:	23 Nov 2024

Q: Thank you for agreeing to give this recorded statement. Please state your full name for the record.

A: I'd rather not have my name on it yet, if that's alright. You can refer to me as the claimant.

Q: That's fine. Can you tell me where you were when the collision happened?

A: I was riding in the front passenger seat of a sedan going through an intersection in Houston, Texas. My friend was driving.

Q: Which direction were you traveling, and what was the traffic signal showing?

A: We had a green light heading east. Another car came in from the side, from the driver's side of our car, and hit us on my side.

Q: Did you see the other vehicle beofre impact?

A: Not really. I was looking down at my phone for a second. I heard a horn and then the impact.

Q: Were you wearing your seatbelt?

A: Yes, I was buckled in.

Q: Where did you feel the impact, and did you hit anything inside the vehicle?

A: The force pushed me toward the door. My head struck the window frame. I didn't lose consciousness, but I was dizzy and confused for a while.

Q: Have you sought medical attention since the collision?

A: Yes, I was taken by ambulance to an emergency room. They diagnosed me with a concussion. I've been having headaches, light sensitivity, and trouble concentrating at work.

Q: Are you currently following any treatment plan?

A: Yes, I've been told to rest, avoid screens for long periods, and I'm scheduled for follow-up visits with my doctor.

Q: Is there anything else you'd like to add to your statement?

A: Only that I'm still recovering and I want to cooperate fully with the investigation.

Q: Thank you. This concludes the statement.

A: Thank you.
