Bodily Injury Unit

Claim Notes

Claim number:	C-1308
Claimant:	Katie Kennedy
Adjuster:	Jerry Hanson

2023-12-24
Claimant reported a left-turn collision at an intersection and described the other vehicle pulling out in front of them. The claimant has no attorney and is handling the claim personally.

2024-01-27
Scene photos, two independent witness statements, and the other driver's account all match the claimant's description of how the collision happened. The damage to the claimant's vehicle is consistent with the reported impact.

2024-02-10
The claimant reports a concussion and has been treated on a routine course that has tapered as symptoms improved. No earlier injury to the same area of the body is known. It is not yet clear whether this injury came from the collision.

2024-04-08
Nothing in the file suggests the vehicle damage predates the start of coverage, and no earlier damage to the vehicle is known. The driver is named on the policy.

2024-05-18
The repsonding officer and two witnesses state that the claimant was not inside the vehicle when the crash occurred, which conflicts with the acconut given so far. I have requested the officer's full report and the witness contact details to clarify this point.

2024-06-19
The claimant has repeated the same account in every conversation to date. The open questions remain the cause of the injury and the discrepancy about the claimant's position in the vehicle, and the file will stay open until both are resolved.

Recorded Statement

Claim number:	C-1308
Statement of:	Katie Kennedy
Taken by:	Jerry Hanson
Date:	2023-11-15

Q: Thank you for agreeing to give this recorded statement. Please state your full name for the record.

A: I'd rather not give my name on the recording, but you have my claim file, so you can use that.

Q: That's fine. Can you tell me where you were when the collision happened?

A: I was in Katy, Texas, turning left at a major intersection. I was heading into a shopping center parking lot.

Q: Did you have a green light or a turn arrow?

A: It was a green ball, and I was waiting for a gap in oncoming traffic. There was a car coming at me that I thought was far enough away.

Q: What happened next?

A: I started the turn and then the other vehicle hit the front driver's side of my car. It came in fast, and I didn't see it until it was almost on me.

Q: Were you wearing your seatbelt?

A: Yes, and the airbags deployed. My head hit the side window and the steering wheel.

Q: How are you feeling now?

A: Not good. I have headaches, I'm sensitive to light, and I get dizzy when I stand up too fast. My doctor said I have a concussion and I need to limit screen time and rest.

Q: Have you been seen by any medical providers since the accident?

A: Yes, I went to the emergency room the same day and I'm following up with my primary care doctor and a neurologist. I have records from all of them.

Q: Did anyone else in the vehicle get hurt?

A: No, I was alone in the car.

Q: Is there anything else you want to add to your statement?

A: Only that I've been unable to work since the collision, and I'm worried about how long recovery will take.

Q: Thank you. That concludes the statement.

A: Thank you.
