Claim Notes

Claim number:	C-1311
Claimant:	Dana Washington
Adjuster:	Jerry Hanson

5-12-24
Claim received for a left-turn collision at an intersection. Claimant is represented by counsel, and all further contact will go through the attorney's office. Initial file set up and photos requested.

7-9-24
Reviewed the policy and cnofirmed the driver is named on it and that coverage was active at the time of loss. Nothing in the file suggests the damage predates the policy start. Police report requested.

7-28-24
Police report and two independent witness statements received. Witnesses, scene photos and the other driver all confirm the collision happened as the claimant described. The police and witnesses also confirm the claimant was in the vehicle at the time.

8-3-24
Reported knee injury is consistent with the mechanism of a crash like this one. Medical records show treatment ran somwehat longer than is typical for this injury. No prior injury to the same body area is known from the records obtained so far.

9-2-24
Second recorded conversation with the claimant's attorney present. The acocunt has shifted in important ways from the first call, including the direction the vehicle was struck from and the number of occupants. Clarification requested in writing. No earlier vehicle damage is known from prior claims or inspectoin notes.

9-11-24
Repair estimate and inspection reviewed. It is not yet clear whether all listed damage resulted from this impact, so a separate review of the damage pattern has been requested. Claim remains open pending the reconciled account and that review.

Recorded Statement

Claim number:	C-1311
Statement of:	Dana Washington
Taken by:	Jerry Hanson
Date:	3-29-24

Q: Thank you for agreeing to give this recorded statement. Please state your full name for the record.

A: I'd rather not give my name on the recording, if that's okay. You have my claim number.

Q: That works. Can you tell me where you were when the collision happened?

A: I was in Pearland, Texas, turning left at an intersection with a traffic light. I was heading toward a shopping center.

Q: Walk me through what you were doing right before impact.

A: The light was green for me, or it had just turned yellow. I was waiting to turn left, and when there was a gap in the oncoming traffic I started my turn.

Q: What did you see from the other vehicle?

A: A pickup truck came through from the opposite direction. I didn't see it until it was almost on top of me. I braked, but it hit the front driver's side of my car.

Q: Did you have your seatbelt on?

A: Yes, I always do.

Q: Were you able to get out of the car on your own?

A: Yes, but my right knee was hurting rihgt away. I could barely put weight on it.

Q: Have you seen a doctor since the collision?

A: Yes, I went to urgent care that same day, and they sent me for imaging. They said there may be a torn ligament, and I've been referred to an orthopedic specialist.

Q: Are you still having trouble with the knee?

A: Yes. Stairs are difficult, and it swells up by the evening. I've been using a brace and crutches for part of the week.

Q: Did you miss any time from work?

A: I have been out for about a week and a half. My job involves a lot of standing, so I've been working modified hours since then.

Q: Thank you. Is there anything else you'd like to add to your statement?

A: Only that I was following the rules of the road, and I want this resolved so I can get my knee treated.

Q: Thank you. This concludes the recorded statement.
