Description of the accident (claimant's words)

I was making a left turn at an intersection in Houston, Texas, when another vehicle struck the side of my car. I had the green light and was waiting for a gap in oncoming traffic when the impact came from the other direction. The force threw me against my seatbelt and then back into the seat, and I felt a shrap pain in my neck and lower back within minutes. I have given the same description of what happened to the officer at the scene, to the adjuster, and to my doctor, and I have not changed any part of it. I am the named driver on this policy and was driving my own vehicle with permission from no one else. I am requesting coverage for my medical treatment, which so far includes physical therapy for a neck and back strain, and for repairs to my vehicle.
