Officer's narrative

Driver 1 was traveling through an intersection in Houston, Texas, when the vehicle was struck while Driver 1 was turning left. Driver 2 was proceeding straight through the same intersection and collided with the driver's side of Driver 1's vehicle. Passenger was seated in the front passenger seat at the time and reported lower back strain after the impact. Responding officers confirmed Passenger's presence in the vehicle through statements from Driver 1 and independent witnesses at the scene. Witnesses interviewed at the scene described the collision in a manner consistent with Driver 1's account, and photographs taken at the location align with the same sequence of events. Driver 2 ackonwledged the crash occurred as Driver 1 described it. The damage to Driver 1's vehicle is consistent with the direction and force of the impact, and officers observed no prior damage to the vehicle in the affected areas. Driver 1 is listed as the named driver on the insurance policy covering the vehicle. The reported back injury is consistent with the type and force of a side impact of this kind.
