Description of the accident (claimant's words)

I was driving home on a weekday afternoon when the car in front of me slowed and dirfted into my lane, and despite braking hard, we ended up in a low-speed head-on collision. Neither vehicle was going fast, but the impact pushed me forward and back against my seat, and I felt an immediate stiffness in my neck and a dull ache across my lower back. I got out of the car and spoke with the other driver and the responding officer, and I have given the same account of what happened every time I have been asked since then. I am the named driver on this policy and I am reporting the collision so that my medical care and vehicle repairs can be handled. I am seeing a doctor about the neck and back strain and will provide rceords as they become available.
