Officer's narrative

Driver 1 reported a concussion following a rear-end collision in Pasadena, Texas. Driver 2 was stopped in traffic when the front of Driver 1's vehicle struck the rear of Driver 2's car. The damage to both vehicles matches the reported impact, and the injury Driver 1 describes is consistent with the force of a crash of this kind. Photographs taken at the scene confirm some of the details, but no independent witnesses were located. Those who spoke with me at the scene, along with my own observations, indicate that Driver 1 was not inside the vehicle when the collision occurred, which conflicts with Driver 1's account. Records and the vehicle's owner reflect no earlier damage to the vehicle. Driver 1 is named on the insurance policy covering the vehicle involved in the collision.
