Re: Claim C-1333
Our client: Anthony Odom
Date of loss: 27 Jan 2024

Dear Claims Representative:

This letter confirms that our firm now represents the injured party in connection with the collision that occurred while our client was making a left turn. Please direct all further communication regarding this matter to our office and do not contact our client directly, whether by telephone, email, or in person. We ask that you provide the policy limits of liability coverage applicable to the insured driver, along with a copy of the declarations page for that policy. We also request that your company preserve all evidence relating to the incident, including photographs, vehicle data, dash camera or telematics records, witness statements, repair estimates, adjuster notes, and any recorded communications. Please treat this as formal notice that litigation is possible, and confirm in writing within the next fourteen days that you have received this letter and placed a preservation hold on the file.

Sincerely,

Daniel Stein
