Description of the accident (claimant's words)

I was changing lanes on a busy road in Pasadena, Texas, when the car in the lane I was moving into drifted over and sideswiped the passenger side of my vehicle. I pulled onto the shoulder right away and checked on everyone. My car had scraped paint and a cracked side mirror, and the impact jolted my back enough that I felt a sharp strain in the lower back within the hour. I have given the same account every time I have spoken about the collision, whether to the other driver, the responding officer, or the adjuster, and I have not changed any detail. I am the named driver on this policy and was operating my own vehicle at the time. I am asking that the claim be reviewed so that my medical treatment and the vehicle repairs can be covered.
