Description of the accident (claimant's words)

I was stopped at a red light on a main road in Conroe, Texas, when the car behind me hit my rear bumper hard enough to jolt me forward against my seatbelt. I got out, spoke with the other driver, and gave the same description of what happened to everyone who asked, including the officer who responded and the adjuster I spoke with later. The next morning my lower back was stiff and sore, and by the afternoon the pain had spread into my hip, so I went to a clinic and was told I had a back strain. I am the household member of the policyholder and I live at the same address, so I am submitting this statement as a covered driver under that policy. I have kept every appointment and will provide any further records requested.
