Injuries reported:	knee injury
Investigating officer:	Officer Jesse Williams, Badge 1015

Occupants of each vehicle

Vehicle	Seat	Name
Vehicle 1 (insured)	Driver	Charles Velazquez
Vehicle 1 (insured)	Passenger 1	Susan Ellis
Vehicle 1 (insured)	Passenger 2	Michael Maxwell
Vehicle 2	Driver	Cheryl Sharp

Officer's narrative

Driver 1 was traveling in the right lane of a multi-lane roadway in Baytown, Texas, when Driver 1 moved left to change lanes and made contact with the side of a veihcle operated by Driver 2. Driver 1 reported the crash to responding officers and stated having pain in the left knee after the impact. Passenger was seated in the front passenger seat of Driver 1's vehicle and was confirmed by both drivers and by a responding witness as being inside the vehicle at the time of the collision. Several bystanders and Driver 2 gave statements consistent with Driver 1's account of how the lane change and contact occurred. Photographs taken at the scene show damage along the left rear quarter panel of Driver 1's vehicle and the right front side of Driver 2's vehicle, which is largely consistent with a sideswipe of this nature. Some older scratches were also noted on the same panel, and it is unclear whether these predate the collision. Driver 1 is listed as a named driver on the policy under review. The reported knee injury appears consistent with the type and force of impact described at the scene.
