Reported injury:	wrist fracture

Description of the accident (claimant's words)

I was stopped at a red light on a main road in League City, Texas, when the car behind me hit my rear bumper hard enough to push my vehcile fowrard into the intersection. I felt a sharp jolt, and my wrist struck the steering wheel as I braced myself. Within minutes I was having trouble moving my hand, and later I learned the wrist was fractured. I have described the events the same way every time I have spoken with the adjuster, the officer at the scene, and the medical staff, and I have no changes to add. I am the named driver on this policy and I have been insured with this company for several years. I am submitting this statement so the claim can be reviewed, and I am willing to provide any photos, repair estimates, or medical records that will help.
