Q: Thanks for taking the time to speak with me today. This recording is for the claim file. Can you state your full name for the record?

A: I'd rather just give you the details of what happened, if that's all right.

Q: That's fine. Can you walk me through how the collision occurred?

A: I was pulling out of a parking space at a shopping center in Pearland. I was going slowly, maybe walking speed, when another vehicle backed out from the next row and struck the rear quarter panel of my car.

Q: Did you see the other vehicle before it hit you?

A: Not really. I heard someone honk, and then there was a bang. My head snapped forward and then back against the seat.

Q: Were you wearing your seatbelt?

A: Yes, I was.

Q: Did you get out of the vehicle and speak with the other driver?

A: I did. The other driver apologized and said they didn't see me. We exchanged insurance information and took a few photos of both cars.

Q: Have you sought medical treatment since the accident?

A: Yes. I went to an urgent care clinic that afternoon. They diagnosed whiplash and gave me a neck brace and some medication. I've also started physical therapy twice a week.

Q: How are your symptoms today?

A: My neck is still stiff, and I get hedaaches toward the end of the day. Turning my head to check my blind spot when driving is painful. I've had to take time off work to attend appointments.

Q: Thank you. Is there anything else you'd like to add for the record?

A: Just that I was driving carefully and I'm hoping to recover fully. I'll send over the medical records when I get them.

Q: Thank you for your cooperation. We'll be in touch.
