Re: Claim C-1364
Our client: Benjamin Ferguson
Date of loss: October 17, 2023

Dear Claims Representative:

This firm represents the individual injured in the side-impact collision at the intersection described in your insured's report. Our client sustained injuries that are still under medical evaluation, and we expect the full extent of those injuries to be documented in the coming weeks. Please direct all further communication regarding this claim to our office and do not contact our client directly, whether by telephone, mail, or in person.

We request that you provide the bodily injury and property damage limits of every policy that may apply to the insured driver and vehicle, including any excess or umbrella coverage, along with a copy of the declarations page. We also ask that your company preserve all evidence related to the loss, including photographs, vehicle data, dash camera footage, recorded statements, adjuster notes, repair estimates, and any trafifc signal or intersection video. Please confirm in writing within fourteen days that this preservation request has been received and acted upon.

Sincerely,

Colleen Orr
