Description of the accident (claimant's words)

I was backing out of a parking space at a shopping center in Sugar Land, Texas, moving slowly, when the front corner of my vehicle struck the side of a pickup that was coming down the aisle behind me. I stopped immediately, checked the other driver, and exchanged information. Afterward I developed stiffness and pain in my neck, which I have been treating since. I have described the events the same way each time I have spoken about them, to the other driver, to the adjuster, and to the medical provider who examined me. I am the household member of the policyholder, who lives at the same address, and I was driving the insured vehicle with permission. I am submitting this statement so the claim can be reviewed with my account on record.
