| **Reported injury:** | wrist fracture |

### Description of the accident (claimant's words)

I was stopped at a red light on a weekday afternoon in League City, Texas, when the car behind me struck the rear of my vehicle. The impact pushed me forward into the intersection and I braced against the steering wheel. Afterward I felt sharp pain in my left wrist, and I was taken to an urgent care clinic, where X-rays showed a fracture. I have described these events the same way to the officer at the scene, to the medical staff, and to my insurer, and nothing I have said has changed. I am the named driver on this policy and I am submitting this statement so the claim can be reviewed.
