Description of the accident (claimant's words)

I was making a left turn at an intersection in Houston, Texas, when another vehicle struck the side of my car. I had the green lgiht and was waiting for a gap in oncoming traffic when the impact came. Since the collision, I have felt stiffness and soreness in my neck and lower back, and I have been seeing a doctor for treatment of a neck and back strain. I have described the events the same way each time I have spoken with the adjuster, the police officer at the scene, and my medical provider. I am the named driver on this policy and was operating my own vehicle at the time. I am submitting this statement so that my claim can be reviewed, and I am happy to provide any further information or documentation that would help.
