Recorded Statement

Statement of:	Jeff Hoffman

Q: Please state your full name for the recording.

A: I'd rather not give my name on this one, just note that I was the driver of the vehicle.

Q: That's fine. Can you tell me where the collision happened?

A: It was at an intersection in Conroe, Texas. I was going through on a green light when another car came across from the side street.

Q: Which direction were you traveling?

A: I was heading straight through the intersection. The other vehicle was coming from my right and it hit the driver's side of my car.

Q: Did you see the other vehicle before the impact?

A: Not really. I saw a flash of movement, maybe a half second before it hit. I tried to brake but there wasn't time.

Q: Were you wearing your seatbelt?

A: Yes, I was. The airbag deployed and I got pushed toward the door.

Q: Did you go to a doctor or hospital afterward?

A: The ambulance took me to the emergency room. They X-rayed my arm and told me the wrist was fractured. I've got a cast on it now and I'm going to see an orthopedic specialist next week.

Q: Did anyone else in the car get hurt?

A: No, I was alone in the vehicle.

Q: Is there anything you want to add about the collision?

A: Only that I've been unable to work since it happened, since my job involves a lot of lifting and typing. I'm trying to keep track of every bill and receipt.

Q: Thank you. We'll follow up with you about the documentation you mentioned.

A: Okay, thanks.
