Description of the accident (claimant's words)

I was driving home on the main road in League City, Texas, when the car in front of me slowed and I mvoed to follow it. The other vehicle came toward me in my lane, and despite my braking we met head-on at low speed. Both cars were moving slowly, and the impact was more of a jolt than a crash, but my head snapped forward and back. Within an hour my neck was stiff and sore, and I have since been diagnosed with a neck strain. I have described the events the same way every time I have spoken with the police, the adjuster, and my doctor. I am the named driver on this policy, and I am submitting this statement so the claim can be processed. I am happy to provide photos of the vehicles and any medical records I have received.
