Recorded Statement

Claim number:	C-1393
Statement of:	Travis Davis
Taken by:	Valerie Rodriguez
Date:	08/19/2023

Q: Thank you for agreeing to give this recorded statement. Please state your full name for the record.

A: I'd rather not give my name on the recording, if that's okay. You have my claim number.

Q: That works. Can you tell me where you were when the collision happened?

A: I was in a parking lot in League City, Texas, near the grocery store entrance. I was pulling into an open space.

Q: What time of day was it, and what were the weather and lighting like?

A: It was late afternoon. It was clear and dry, and the sun was low, so there was some glare on the windshield.

Q: Describe how the other vehicle came into contact with yours.

A: I had nearly stopped in my space when a white SUV backed out from the space across the aisle. It didn't look like the driver saw me. Their rear bumper hit my front driver's side fender.

Q: Did you have any warning before the impact?

A: Just a horn tap from me, and then the impact. I braked as hard as I could but there wasn't time.

Q: Were you wearing your seatbelt, and did your airbags deploy?

A: Yes, I had my seatbelt on. The airbags did not deploy.

Q: Have you sought medical attention since the collision?

A: Yes, I went to urgent care the same evening. They diagnosed a neck and back strain and told me to rest and take anti-inflammatories.

Q: How are you feeling now?

A: The neck stiffness is still there, especially when I turn my head to check traffic. My lower back aches after sitting for long periods. I've been doing the exercises the clinic gave me.

Q: Is there anything else you'd like to add to your statement?

A: Only that I'm cooperating fully and I'll send any treatment records you request.

Q: Thank you. This concludes the statement.
