Claim Notes

Claim number:	C-1398
Claimant:	Ryan Nelson
Adjuster:	Christopher Wong

01/12/2023
First notice of loss received for a side impact collision at an intersection involving the insured vehicle. The claimant reports being the driver of the vehicle struck on the passenger side and is not represented by an attorney.

02/21/2023
Reviewed the policy record and confirmed the driver involved is listed as a named driver on the policy, with coverage in force at the time of the loss. Nothing in the file suggests the damage predates the start of coverage.

03/02/2023
Spoke with the claimant, who gave the same account of the collision as in the initial report, including the signal phase and direction of travel. The account has not changed across contacts.

03/18/2023
Obtained the police report, which places the claimant inside the vehicle at the scene and records the same sequence of events. Two independent witnesses were interviewed and their statements mtach the other driver's account and the scene photos.

04/22/2023
Inspected the vehicle and reviewed the photos. The damage is concentrated along the driver's side door and quarter panel and is largely consistent with the angle and force described. No proir damage to the vehicle is known from records or the claimant.

06/21/2023
The claimant reported a wrist fracture from bracing during impact. The injury is consisetnt with the kind and force of a side impact of this type, and no prior injury to the same area is known from the claimant's history or medical records requested so far.

07/05/2023
Medical records show treatment followed a typical course, including immobilization, follow-up imaging, and physical therapy. Treatment frequency has tapered as the claimant's condition improved, in line with expected recovery.

08/20/2023
Confirmed with the claimant's treating provider that the treatment plan and visit pattern are standard for this injury. No indication of unrelated or delayed care was found in the records reviewed.

09/07/2023
Reviewed all information gathered to date. Witnesses, photos, the police report, and the other driver's statement support the reported sequence of events, and the injury and vehicle damage align with the described collision. File to continue with standard handling pending final medical updates.

Recorded Statement

Claim number:	C-1398
Statement of:	Ryan Nelson
Taken by:	Christopher Wong
Date:	01/17/2023

Q: Thanks for taking the time to speak with me today. This recorded statement concerns the collsiion you were involved in at the intersection in Pasadena, Texas. Do you understand that this call is being recorded?

A: Yes, I understand.

Q: Please tell me in your own words what happened.

A: I was driving through the intersection on a green light. A car coming from my right ran the red and hit the driver's side of my vehicle.

Q: Where were you headed when the collision happened?

A: I was going straight through the intersection, hedaing toward the shopping center on the other side.

Q: How fast do you think you were traveling?

A: Maybe around thirty miles an hour. I had slowed down a bit as I approached because the light had just turned yellow.

Q: Did you see the other vehicle before the impact?

A: Only for a second. I saw it coming from the side, but there was no time to react.

Q: Were you wearing your seatbelt?

A: Yes, I was.

Q: Did your airbags deploy?

A: The side curtain airbag came out. My arm hit the door and the steering wheel when I tried to brace myself.

Q: Did you receive medical attention after the collision?

A: Yes, an ambulance took me to the emergency room. They found a fracture in my left wrist, and I've been told I'll need a cast and follow-up with a specialist.

Q: Is there anything you would like to add to your statement?

A: No, I think I've covered it. I just want the claim processed as quickly as possible.

Q: Thank you. This concludes the recorded statement.
