Description of the accident (claimant's words)

I was driving home on a weekday afternoon when the car in front of me stopped suddenly, and I was unable to avoid a low-speed head-on collision with the vehicle coming toward me in my lane. Both cars were moving slowly when they met, and the impact was not severe, but my body was thrown forward against the seatbelt and I felt an immediate pain in my right shoulder. I have described the events the same way to the officer at the scene, to the adjuster, and to my doctor, and I have nothing to add or change. I am the named driver on this policy and was the person operating the vehicle at the time. I sought medical attention the same day, and I am still receiving treatment for the shoulder. I am providing this account so the claim can be assessed accurately.
