Description of the accident (claimant's words)

I was changing lanes on a busy road in Pasadena, Texas, when the car in the lane beside me drifted over and sideswiped the rear quarter panel of my vehicle. I pulled onto the shoulder right away and checked on everyone involved. My neck felt stiff and sore within a few minutes, and I have had a strain ever since. I have described the events the same way each time I have spoken about them, to the other driver, to the officer at the scene, and to my insurer. I am the named driver on this policy, and I have provided my details and photographs of the damage to the adjuster.
