Description of the accident (claimant's words)

I was making a left turn at an intersection in Katy, Texas, when another vehicle sturck the side of my car. The impact pushed my car forward and I felt a sharp pain in my right knee as it hit the dashboard area. I stayed at the scene until the police arrived, and I have described what happened the same way to the officer, to the adjuster, and to everyone else I have spoken with since. I am the named driver on this ploicy and I was operating my own vehicle with permission from no one but myself. I have been seeing a doctor for the knee injury and I am keeping all receipts and treatment notes so they can be provided with this claim.
