Claim Notes

Claim number:	C-1415
Claimant:	David Smith
Adjuster:	Valerie Rodriguez

5-21-25
Claim received for a low-speed head-on collision. The claimant is represented by counsel, and all further contact will go through the attorney's office.

7-11-25
Police report obtained. It confirms the claimant was in the vehicle at the time of the collision and records the scene as described on first notice.

7-17-25
Driver conifrmed as a named driver on the policy. Coverage was in force on the date of loss, and nothing in the file suggests the daamge predates the policy start.

8-18-25
Photos from the scene reviewed. They confirm several key details of the impact, though no independent witnesses have come forward to add to the account.

8-30-25
Vehicle damage reviewed against the reported impact. The damage pattern matches the described collision, and no earlier dmaage to the vehicle is known from prior claims or inspection records.

9-23-25
Medical records received for a knee injury. The injury is consistent in kind and force with the mechanism of this crash.

10-13-25
Records also show a minor strain in the same area several years ago, which healed fully with no ongoing treatment at that time.

10-20-25
Treatment has run somewhat longer than is typical for this type of knee injury. The treating provider's notes explain the course of care, and a medical review has been requested.

11-29-25
Claimant's statement obtained through counsel. Minor details were added sicne the first report, but the core account of the collision has stayed the same across each telling.

12-5-25
File remains open pending the medical reivew and receipt of the remaining treatment billing. Next follow-up is set with counsel once those items are received.

Recorded Statement

Claim number:	C-1415
Statement of:	David Smith
Taken by:	Valerie Rodriguez
Date:	5-11-25

Q: Thank you for taking the time to give this recorded statement. Can you please state your full name for the record?

A: I'd rather just give the facts of what happened, if that's alright.

Q: That's fine. Can you describe where you were driving and what happened?

A: I was driving on a two-lane road in Katy, Texas, heading home from the store. It was a clear afternoon. A car came over into my lane while we were both going slow, probably around fifteen or twenty miles an hour, and we hit nose to nose.

Q: Did you have time to brake before impact?

A: Yes, I hit the brakes as soon as I saw the other car drifting toward me, but there wasn't enough room to avoid it.

Q: Were you wearing your seatbelt, and did the airbags deploy?

A: I had my seatbelt on. The airbags did not come out, but my knee srtuck the lower part of the dashboard pretty hard.

Q: Can you tell me about your knee injury and whether you sought medical care?

A: My right knee swelled up within an hour, and I could braely bend it. I went to an urgent care clinic that evening. They took X-rays and told me it might be a ligament sprain, and I was referred to an orthopedic doctor for an MRI.

Q: Have you been able to return to work or your normal activities since the accident?

A: Not fully. I'm on light duty at my job, and I can't climb stairs without pain. I'm still doing physical therapy twice a week.

Q: Is there anything else you'd like to add to your statement?

A: Only that I'm cooperating fully and I'd appreciate updates on the claim as it moves forward.

Q: Thank you. This concludes the recorded statement.
