Description of the accident (claimant's words)

I was making a left turn at an intersection in Pasadena, Texas, when another vehicle struck the side of my car. I had slowed almost to a stop and was waiting for a gap in oncoming traffic when the impact came. My head hit the window frame and I felt dizzy and confused right away. I was taken to the hospital, where I was diagnosed with a concussion and told to rest and avoid screens for several days. I have given the same account of what happened to the responding officer, the adjuster, and everyone else I have spoken with since. I am the named driver on this policy and I am submitting this statement so my claim can be processed.
