Officer's narrative

Driver 1 was traveling through the intersection in Pasadena, Texas, and was completing a left turn when the collision occurred. Driver 2 was proceeding straight through the same intersection and struck the driver side of Driver 1's vehicle. A passenger was also present in Driver 1's vehicle. Driver 1 reported a concussion following the impact. The injury described is consistent with the force and direction of the collision. Two independent witnesses stated that the crash happened as both drivers described it, and photographs taken at the scene show damage that matches the reported impact. Driver 2 also confirmed the sequence of events. No prior damage to the vehicle is known to responding officers. Driver 1 is listed as a named insured on the policy. Officers were unable to determine with certainty wihch seat Dirver 1 occupeid at the moment of impact, as statements on this point were inconsistent. Medical evaluation was recommended at the scene, and Driver 1 was transported for further care.
