Description of the accident (claimant's words)

I was backing out of a parking spot at a grocery store in Pasadena, Texas, moving slowly with my foot on the brake, when another car came around the end of the row and struck the rear passenger side of my vehicle. I stopped right away, checked on the other driver, and waited for the police report to be filed. I have descirbed what happened the same way every time I have spoken about it, whether to the officer at the scene, to the adjuster, or to the medical staff who saw me afterward. I am the named driver on this policy and I own the vehicle involved. Since the collision I have had neck pain and stfifness that fits a whiplash injury, along with headaches for several days. I am attending physical therapy and following my doctor's instructions, and I am providing copies of all my medical bills and receipts with this form.
