Description of the accident (claimant's words)

I was backing out of a parking space at a grocery store in Conroe, Texas, moving slowly with my brakes already engaged, when another vehicle rolled through the lane behind me and struck the rear quarter panel of my car. The impact was low speed, but my head snapped forward and back, and I felt a sharp pain in my neck and upper shoulders within minutes. I have given the same account of what happened to the store manager, the responding officer, my doctor, and the adjuster every time I have been asked. I am the named driver on this policy, and I am submitting this statement so the claim can be reviewed. I have kept copies of my medical visits and will provide them on request.
